## Tools

| Required | Desirable |
|---|---|
| Curved edge tile nippers | Both curved & straight edged tile nippers |
| Grouting tool (or use something from around the house) | Boat Grouter |

# Guidelines required for "Goanna" mosaic design.

5 cm

**1.** Draw red lines as shown with a ruler.
**2.** Carefully transfer the drawing onto the board using the lines as a guide. Note where the black intersects the red
**3.** Trace over with a felt pen if you like.

# Alternative methods of transferring the design

The drawing below could be taken to a photocopy or print shop and enlarged to your desired size. You can then use carbon paper to trace the design directly onto your backing board.

# Suggested laying order
